FAQ

- The ideal age to start training your dog is 11-16 weeks of age. (If your dog is already passed this age, training can still be of assistance)
- If your dog lunges/leaps, or barks repeatedly at other dogs it may not be ready for a group class. Contact us to discuss alternatives.
- Wear comfortable clothing and non slip closed shoes (no flip flops or slip ons)
- Bring at least 1 cup of small (pea sized) soft treats.
- Bring your dog on its regular leash/collar, no retractable leashes, no chain leashes.
- If your dog is over 50 lbs, or is too strong for you to restrain on leash, please do not bring it on a harness. This is a safety issue. Contact us to discuss alternatives so we can help you to join a class safely.
- You are responsible for cleaning up after your dog
- Please keep dogs at least 3 feet from all other dogs at all times, unless otherwise directed by instructor.
- We recommend not feeding prior to class, or provide only half the dogs regular amount of food so they do not get car sick, and readily take food in class.
- Please do not bring water bowls/water into the building.
- Its important that you attend each class. If you must miss class you may send a family member or friend to class in your place.
- If your dog is sick; sneezing, gagging, coughing, diahrea it may not come to class. In this case You may attend class without your dog and learn the lesson so that you can practice at home. (Please wear clean shoes and do not touch the other dogs in class unless you've worn clean clothes and washed your hands)
- If your dog is of the age to be spayed/neutered during class, schedule surgery for 1-2 days after class. It will then be recovered enough to attend class the next week. (No jumping or running, but what we teach is safe to do post surgery). Do not bring dogs wearing cones to class. (It is permissible to remove the cone when you will be watching your dog)
- Training your dog is an ongoing process that must be worked on throughout the dogs first year of life. Classes help you to set goals and provide a method of accountability. However the success lies in learning to utilize what is taught on a constant basis with your dog, and in the continuation of training through at least the Advanced Manners level and the Canine Good Citizen level. We strongly recommend not taking more than a 2-4 week break between any session.
